

CALL FOR ARTISTS

Whether you're a painter, illustrator, sculptor, set designer or just an art enthusiast, don't keep your creativity hidden. Artists Walk will put you on the map.

Show people you're part of the art community in your local area by joining our exhibition and displaying your work in your window.

Take a look at our website and Instagram for ideas of how you could create your display. You might even discover fellow artists and art lovers who are right on your doorstep.
